Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Camden Clean Up Initiative project in fiscal year 2025. The entity to receive funding for this project is the City of Camden, located at 520 Market Street, Camden, NJ 08101. The funding would be used to modernize Camden's waste collection system, enhance environmental sustainability, and improve the overall quality of life for residents. The project is an appropriate use of taxpayer funds as it addresses critical infrastructure needs and enhances community well-being.

This project has a Federal nexus as it is for the same purposes authorized in 42 U.S. Code 5305(a)(2) – the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements;

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
