Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cedar Avenue Recreation Complex Improvement Project in fiscal year 2026. The entity to receive funding for this project is the Borough of Wenonah and the project will be located at 62 East Cedar Street, Wenonah NJ 08090. The funding will be used to make improvements to the Cedar Field Recreation Complex, including adding lighting instruments to the soccer field area which currently does not have permanent light fixtures; resurfacing the basketball court; adding two new pickleball courts; relocating the storage shed for recreation equipment to accommodate the new courts; replacing damaged safety netting at the softball field; and installing a new security camera system. The project is an appropriate use of taxpayer funds as it will improve safety and accessibility in this recreational area which serves the Borough of Wenonah and other surrounding communities.

This project has a Federal nexus as it is for the same purposes authorized in 42 U.S. Code 5305(a)(2) – the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
