Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Virtua's Advanced Transplant Center Modernization Initiative in Fiscal Year 2023. The entity to receive funding for this project is Virtual Health, located at 1601 Haddon Avenue, Camden, New Jersey 08103.

The funding would be used for construction costs associated with the renovation of Virtua Health's Advanced Transplant Center, the only transplant program in Southern New Jersey. The expansion and modernization project aims to at least double the number of organ transplantation in the State of New Jersey and ensure NJ-01 residents have access to these life-savings services.

I certify that neither I nor a member of my immediate family has any financial interest in this project.

Thank you again for your consideration of this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
