Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Clementon for the “Water Main Infrastructure Improvements” project in fiscal year 2027. The entity to receive funding for this project is Borough of Clementon, located at 101 Gibbsboro Rd, Clementon, NJ 08021. The funding would be used to replace existing water main and install water main loops to improve water quality. This project is a good use of taxpayer funds because it makes improvements to the Borough of Clementon's water distribution system. This project has a Federal nexus as it is for the same purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
