March 19, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Camden County Police Department's "Real Time Crime Center Technology Expansion and Enhancement Initiative" project in fiscal year 2027. The entity to receive funding for this project is the Camden County Police Department, located at 800 Federal St, Camden, NJ, 08103. The funding will expand the Camden County Police Department's (CCPD's) drone as first responder program, camera systems, and gunshot detection. It will also integrate community shared video, body worn cameras, and digital data into the Real Time Crime Center. The project is an appropriate use of taxpayer funds because it will purchase crime reduction and crime prevention equipment, enhance officer safety and update criminal record technology, leading to improved incident response for better public safety and quality of life in Camden.

This project has a Federal nexus as it is for the same purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".

Donald Norcross
Member of Congress
