March 19, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gloucester County Prosecutor's Office's "Public Safety Robot and Forensics Technology" project in fiscal year 2027. The entity to receive funding for this project is the Gloucester County Prosecutor's Office, located at 70 Hunter Street, Woodbury, Gloucester, NJ 08096. The funding would be used to purchase equipment to help local law enforcement, including a public safety robot, Vacuum Metal Deposition Chamber, 3-D laser scanner, and forensic light source camera. The project is an appropriate use of taxpayer funds because this funding would protect law enforcement, the person(s) involved in the situation, and the neighboring community to where the active incident is taking place. By utilizing technology such as a robot, vacuum metal deposition chamber, 3-D laser scanner, and forensic light source camera, law enforcement is able to diffuse stressful situations safer and better preserve evidence.

This project has a Federal nexus as it is for the same purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".

Donald Norcross  
Member of Congress
