Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Rutgers University–Camden Community Partnership Centers (RUCCPC) in Fiscal Year 2023. The entity to receive funding for this project is Rutgers University-Camden located at 303 Cooper Street, Camden, New Jersey 08102.

The funding would be used for programming and staffing support at the two community centers that Rutgers–Camden will bring online. Rutgers–Camden will work in partnership with the City of Camden and other partners to maximize underutilized city community centers by providing programming, resources, and support to city residents in their neighborhoods. Initiatives will focus on the areas of adult education and workforce development, arts and culture, health and wellness, youth and families, K-12 remediation and college preparedness, and individual and family supports. Rutgers–Camden will work with councils of neighborhood residents to develop programming and manage operations at the community centers operated by the City of Camden.

I certify that neither I nor a member of my immediate family has any financial interest in this project.

Thank you again for your consideration of this request.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
