Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Expansion of Telehealth Services in Southern New Jersey project in fiscal year 2026. The entity to receive funding for this project is the Maryville Addiction Treatment Center, located at 526 South Burnt Mill Road Voorhees, NJ 08043. The funding would be used to implement and expand telehealth services for opioid and substance addiction treatment in Southern New Jersey by providing remote counseling, medication management, and support services to unserved and underserved populations. The project is an appropriate use of taxpayer funds because telehealth for addiction treatment aligns with public health priorities, promotes community well-being, and offers a promising return on investment in both human and economic terms.

This project has a Federal nexus because it is for the purposes authorized in Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
