Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Township of Berlin's Brownfield Reclamation Project in fiscal year 2027. The entity to receive funding for this project is the Township of Berlin, located at 135 NJ-73, West Berlin, NJ 08091. The funding would be used for the remediation and reclamation of a downtown contamination site. The project is an appropriate use of taxpayer funds because it addresses environmental contamination while enabling the productive reuse of an underutilized property in the community's downtown center.

This project has a Federal nexus as it is for the same purposes authorized in 42 U.S. Code 5305(a)(1) – the acquisition of real property (including air rights, water rights, and other interests therein) which is (A) blighted, deteriorated, deteriorating, undeveloped, or inappropriately developed from the standpoint of sound community development and growth; (B) appropriate for rehabilitation or conservation activities; (C) appropriate for the preservation or restoration of historic sites, the beautification of urban land, the conservation of open spaces, natural resources, and scenic areas, the provision of recreational opportunities, or the guidance of urban development; (D) to be used for the provision of public works, facilities, and improvements eligible for assistance under this chapter; or (E) to be used for other public purposes.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
