Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Deptford Township's Police Department Reconstruction Project in fiscal year 2027. The entity to receive funding for this project is West Deptford Township, located at 400 Crown Point Road, West Deptford, NJ 08086. The funding would be used to renovate their former library to create a new police department. The project is an appropriate use of taxpayer funds because it involves the renovation of an underutilized building into the development of a new police department building that will serve the community for the next 50 years.

This project has a Federal nexus as it is for the same purposes authorized in 42 U.S. Code 5305(a)(2) – the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
