Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the County of Gloucester's Construction of Thomas Edison Parkway project in fiscal year 2026. The entity to receive funding for this project is the County of Gloucester, located at 2 South Broad Street, Woodbury, NJ 08096. The funding will be used for construction of an extension of Thomas Edison Parkway (CR-641 Spur, the Bypass) through Rowan University's new West Campus to meet Lambs Road (CR 635) at a point just south of the intersection with Pitman-Barnsboro Road/West Holly Avenue (CR 624), for the construction of two new public County roads that will run through Rowan's West Campus, and for development and completion of an off-road, multi-purpose trail for both bike and pedestrian use. The project is an appropriate use of taxpayer funds as it will provide safe, efficient, and effective infrastructure that connects communities to one another ensuring mobility and economic growth.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
